

## WHAT PEOPLE SAY . . .

“I want to say how much I have enjoyed the ‘Creative Writing for Fact or Fiction’. I think it is a wonderful way to realise one’s potential and also to discover there are similar people out there who are willing to support and nurture each other’s creativity. I have recommended this course to everyone I know.”

Sophia Hough

“Budding authors need all the encouragement they can get and we get plenty from Anne. I’m glad I’ve got her skill, experience, personality and magic calling my work into being.”

Naznene Sparrow

“Anne’s course very quickly became my course, the group’s course. We got to know one another, our stories and our passion for writing. If there is a niggling voice inside you, pestering you to get writing and you are still trying to squash it down, you can now stop; attend the course, do the exercises, write.”

Danja Sanovic

“I loved your positivity and compassion, combined with running a course without an ounce of flab. It was inspiring to hear other people’s work as well as to have the opportunity to air mine.”

David Ford

“Anne’s classes helped me find the place where my own voice was waiting.”
