

WHAT PEOPLE SAY . . .

“When I first met Anne, I had a great story, but I didn't have a book. If it weren't for her wisdom, insight, belief and patience, *The Mango Orchard* might never have been finished, and it certainly would not have been accepted for publication.”

Robin Bayley

“Writing is a sensitive labour. Budding authors need all the encouragement they can get and we get plenty from Anne. I'm glad I've got her skill, experience, personality and magic calling my work into being.”

Naznene Sparrow

“I have learnt an incredible amount, so much more than during the lonely struggle I have had writing my book these past five years. I've stepped blinking into a brightly-lit room filled with a welcoming group of people who are enthusiastic about writing. I've found the whole experience inspiring.”

Nicholas Mackey

“The ‘So You Want to Write a Novel’ course was highly important for my writing. I came to the workshop with a limited idea and structure for my book and walked out with a clear direction and many ideas on how to go about it. I highly recommend the course for developing your creativity and ways of thinking outside the box.”
